

MANATEE TOUR WITH DRIFT, CAVERN AND SPRINGS DIVING

Crystal River Area, Florida

21-Jan - 25-Jan, 2010

The Lodging

We will be staying at the Homosassa Riverside Resort in Homosassa, Florida which is located on the Nature Coast on the edge of the Crystal River. The resort will be our base of operations for our daily diving to the various springs, grottos and caverns in the area. The resort offers swimming pool, hot tub, restaurant, gift shop, boat rentals, and more.

The Diving

We'll start our trip off Friday morning with a day of diving with Adventure Dive Center in nearby Crystal River. We will visit several of the local manatee gathering sites, including Three Sisters, Kings Cavern, and some secret holes in the Crystal River basin. After a stop for lunch, we motor up to the Rainbow River and enjoy a 3 mile drift dive down the river, starting at the headwaters that pump millions of gallons of fresh, clear 72 degree water daily down this river. Depths vary from 5 to 25 feet, and the diving is as relaxing and kicked back as can be.

Saturday we will cruise up to Devil's Den and Blue Grotto, two of the more famous Florida Springs dive sites. An optional run to a third spring may be arranged upon a group consensus. Each of these sites offer a unique dive experience in some of the springs and caverns that north central Florida is famous for.

Sunday will be more of the same, with our site being Ginnie Springs, one of the nicest and most developed of the Florida springs dive site. We'll visit Devil's Ear, Devil's Eye, Little Devil, and the Ballroom, with a drift dive down the Santa Fe River to boot!

Monday we'll pack it up and head back to the airport for our journey home.

This adventure starts on site in Homosassa, so each participant is responsible for their own transportation to the resort. Typically we share a rental van for the local driving and touring while we are there. Orlando International Airport (MCO) has the widest choice of flights.
