

Tanks R' Us

FREE Lifetime Tank Inspection

Ready to invest in your own steel or aluminum tanks? Take advantage of the exclusive **Indian Valley Scuba & ScubaGearPlus** Lifetime Tank Ownership Program – purchase any new tank and valve at our fantastic prices, and receive lifetime free VIP inspections and hydrostatic testing! That's right, **FREE** annual VIP's and **FREE** hydro's every five years, for as long as you own the tank! You won't find a deal like that anywhere!

The **Indian Valley Scuba & ScubaGearPlus** facility is a **registered U.S. Dept. of Transportation cylinder re-qualification test center**. Your equipment never leaves our hands when you bring it in for inspection and service. Our service technicians are **fully trained and certified** to perform all the services required to maintain your tanks, valves, manifolds and accessories in first class operating condition. All aluminum tanks, regardless of alloy or year of manufacture, are Eddy Current tested to inspect the critical neck area. Your gear is ready for you in as little as two days, so you won't miss a dive all season long! And we ship daily via UPS and USPS so you're never more than a day away!

This program applies to all steel and aluminum tanks purchased from Indian Valley Scuba & ScubaGearPlus, including both in-store purchases and on-line sales.
