NORTH CAROLINA WRECKS
Amazing Wrecks & Big Sharks too!

THE LODGING AND THE AREA

Visit the 'Graveyard of the Atlantic', North Carolina. Our NC trips are an IVS-exclusive, making the most of your time on the water! No one loves to dive like IVS, and there's no diving like North Carolina in the summer!

The Discovery Dive Lodge is located two blocks from the dock providing economical accommodations in dorm-style rooms. Optional upgrades can be made at the Beaufort Harbour Suites condos located next door.

THE DIVING

North Carolina offers a diving experience like none other. Nowhere else will you find such excitement underwater. It's true that we have longer boat rides, more finicky conditions, and greater depths than many other destinations. We don't have guides to monitor your air or carry your gear, but these aspects only enhance the sense of adventure that is North Carolina diving.
Each dive in North Carolina is an experience lifted from the pages of is an experience lifted from the pages of National Geographic. The awe-inspiring shipwrecks come with fascinating—and often tragic—tales of submarine warfare, treacherous storms, and catastrophic collisions. Even our artificial reefs evoke compelling stories of navigational feats and wartime patrols. These shipwrecks—the Graveyard of the Atlantic—constitute an unparalleled symbolic collection of our maritime history.

And the fish! Unlike the sedate suburban sprawl of coral reefs, each shipwreck is its own ecological metropolis, a bustling urban center emerging from a vast sandy plain where animals come to eat, breed, and seek protection from predators. On any given dive you'll see members from each link of the marine food chain—and you'll see them in astounding numbers, from sponges and coral up to our beloved sand tiger sharks. Patrolling pelagics feed on giant schools of bait fish as huge turtles and rays glide along the bottom and colorful reef fish contrast against the scattered debris.

Trust us...you will love North Carolina wreck diving!

TRAVEL WITH A PURPOSE

Every adventure with Indian Valley Scuba & Travel is designed to benefit the communities we visit. For this program we have partnered with the Eastern Carolina Artificial Reef Association, and a donation will be made on behalf of our divers on this trip. www.carolinareefs.org

❖ *"...Deliberately Different..."* ❖

Indian Valley Travel is a 501(c)(3) nonprofit organization. A portion of the proceeds from our trips, as well as any individual participant donations, serves to benefit the communities we visit, as well as the adaptive adventure projects of IAHD-Americas [www.IAHD-Americas.org].

IVT offers a "deliberately different" approach to travel - a chance for travelers and adventurers of every level of ability and interest to experience fantastic journeys around the globe, both on the land and below the water.

Our mission is twofold. First, is to constantly seek out new and exciting destinations to visit and build trips that combine adventure and value for the discerning traveler. Second, and perhaps of even greater significance to the locations we visit,

is our 'IVT Community Goodwill & Give Back' practice. For every destination, IVT has chosen a local charity, benefit or environmental cause that will receive a direct donation from IVT, on behalf of our travelers. Additionally, information on the charity is made available to each participant on the trip, who may choose to personally become more involved with the chosen charity in a way that will directly benefit their mission.

This multi-faceted focus of our programs, the variety of exciting destinations, and the value we package into our adventures, offer parallel paths towards the attainment of your travel goals while supporting our mission statement, assuring every participant a chance to play a key role in making a contribution to the world we share. Thank you for choosing Indian Valley Travel!
