

N Carolina: 'Meg Shark Dental Visit!'

Oct 21-22, 2020

Indian Valley Scuba loves a good adventure, and North Carolina offers plenty of them! Great wrecks, warm, clear offshore water and good diving - perfect!

THE LODGING

After our long drive south, we'll enjoy the Southport Hampton Inn for our lodging, a perfect, quiet bit of repose and just minutes from the dock. Plenty of local restaurants to choose from, so no one will go hungry. The resort offers nicely furnished double occupancy rooms with air conditioning, ceiling fans, & cable television.

THE DIVING

Conveniently located in Southport, NC, our host for this adventure is Blackbeard's Scuba, perfectly positioned to head offshore to explore the Megalodon Ledges. The Ledge is a great dive site to find some of the highly sought after most prized Megalodon teeth in the world. This is a 'must-do' dive for explorers looking to round out their repertoire of experiences, and ideally we'll come home with some serious prehistoric shark teeth too!

We've got plenty of sunken wrecks to visit too, including Mt. Dirty's, the Sherman Wreck, Frying Pan Tower, City of Houston, Raritan and more. As usual with the wrecks off North Carolina's coast, expect to be surrounded by baitfish and hungry predators, including Sand Tiger Sharks, on every dive. And there's plenty of choices for the Spearfisher's in our group too, for some fresh seafood!

Divers on this trip must hold Advanced Open Water Diver certification as a minimum, and dive with a computer. These are independent dives, without a guide, so your skills should be good and your experience current. Indian Valley Scuba works hard to make our trips special and our guests welcome, and our choice of dive operators works to further ensure an excellent time to be had by all. We have decades of North Carolina diving experience, and coupled with the superb service and knowledge of the dive operators staff, as well as their central location to the best dive sites, make our choice of operators guaranteed to provide the very best in safety and service for our Indian Valley Scuba trips.

TRAVELING WITH A PURPOSE!

In keeping with our mission of 'Community Goodwill & Giveback', Indian Valley Scuba & Travel have selected deserving beneficiaries in the area. For this program we have partnered with the Eastern Carolina Artificial Reef Association, and a donation will be made on behalf of our divers on this trip. www.carolinareefs.org.

INDIAN VALLEY TRAVEL

❖ A "Deliberately Different" Approach To Travel ❖

Indian Valley Travel is a 501(c)(3) nonprofit organization. A portion of the proceeds from our trips, as well as any individual participant donations, serves to benefit the communities we visit, as well as the adaptive adventure projects of IAHD-Americas [www.IAHD-Americas.org].

IVT offers a "deliberately different" approach to travel - a chance for travelers and adventurers of every level of ability and interest to experience fantastic journeys around the globe, both on the land and below the water.

Our mission is twofold. First, is to constantly seek out new and exciting destinations to visit and build trips that combine adventure and value for the discerning traveler. Second, and perhaps of even greater significance to the locations we visit, is our 'IVT Community Goodwill & Give

Back' practice. For every destination, IVT has chosen a local charity, benefit or environmental cause that will receive a direct donation from IVT, on behalf of our travelers. Additionally, information on the charity is made available to each participant on the trip, who may choose to personally become more involved with the chosen charity in a way that will directly benefit their mission.

This multi-faceted focus of our programs, the variety of exciting destinations, and the value we package into our adventures, offer parallel paths towards the attainment of your travel goals while supporting our mission statement, assuring every participant a chance to play a key role in making a contribution to the world we share. Thank you for choosing Indian Valley Travel!
