

Keys Tec Wreck Trek

Dec 6 - 11, 2020

Indian Valley Scuba takes pride in providing our divers with a wide array of diving sites, conditions & choices. Deeper & Darker is how some of us like it....get your Tec on!

THE LODGING

We'll be staying at locations in the Keys strategic to our dive plans for the week. Stock Island, outside of Key West, will be our first base, then we'll move it up the Keys to the Key Largo area, providing us with a central base for diving in the area. Rooms are double occupancy, with all the standard amenities.

THE DIVING

We will use several different operators during the course of this weeks trip, and the final selection of operators and sites will be based on the participants and our goals. Our trip may include dives on any of the following sites:

Vandenberg (max depth 150 ft)

Curb (max depth 185 ft)

Wilkes Barre (max depth 250 ft)

Spiegel Grove (150 ft max)

Northern Light (190 ft max)

Queen of Nassau (220 ft max)

Doc de Mille (150 ft max)

Duane / Bibb (125 ft max)

Other selected sites may be considered, depending on the group, weather and other variables. Sites will be selected ahead of time, allowing for proper planning, gas selection & equipment considerations. This is a team-centric program, so participants will work together to best plan, and execute, dives that incorporate safety and the well-being of each member above all else. Mission is secondary to safety. No solo diving is allowed on our technical trips. IVS has decades of experience diving these wrecks and working with the best operators in the area, all of which help ensure the best experience for our divers, along with the very best in safety and service for our Indian Valley Scuba divers.

One of our primary focuses will be on the development of the technical dive team mentality, how we apply this to our dive planning, and how we implement it during the execution of our dives. Our goal is to not only provide the opportunity for great diving experiences but also to nurture the development of each diver as an individual, as well as a team member.

TRAVELING WITH A PURPOSE!

In keeping with our mission of 'Community Goodwill & Giveback', a donation will be made to a local charity on behalf of our guests.

INDIAN VALLEY TRAVEL

❖ A "Deliberately Different" Approach To Travel ❖

Indian Valley Travel is a 501(c)(3) nonprofit organization. A portion of the proceeds from our trips, as well as any individual participant donations, serves to benefit the communities we visit, as well as the adaptive adventure projects of IAHD-Americas [www.IAHD-Americas.org].

IVT offers a "deliberately different" approach to travel - a chance for travelers and adventurers of every level of ability and interest to experience fantastic journeys around the globe, both on the land and below the water.

Our mission is twofold. First, is to constantly seek out new and exciting destinations to visit and build trips that combine adventure and value for the discerning traveler. Second, and perhaps of even greater significance to the locations we visit, is our 'IVT Community Goodwill & Give

Back' practice. For every destination, IVT has chosen a local charity, benefit or environmental cause that will receive a direct donation from IVT, on behalf of our travelers. Additionally, information on the charity is made available to each participant on the trip, who may choose to personally become more involved with the chosen charity in a way that will directly benefit their mission.

This multi-faceted focus of our programs, the variety of exciting destinations, and the value we package into our adventures, offer parallel paths towards the attainment of your travel goals while supporting our mission statement, assuring every participant a chance to play a key role in making a contribution to the world we share. Thank you for choosing Indian Valley Travel!
