

## Course Overview

# Pet First Aid

### Program #HST.003

If you care about your pets, then you should be interested in taking a pet first aid course, This program will give you the skills and confidence to do everything that you can to help them in the event that they become sick or injured. Pet first aid teaches you how to bandage simple to complex wounds which your pet might get when injured. Pet first aid also shows you when it might be necessary to take your pet to a veterinarian. We will also learn about pet CPR, including some of the best techniques for performing this skill and what you can do in the event of sudden cardiac death of your pet.
