

Course Overview

PADI Assistant Instructor

Program #PRO.002

The PADI Assistant Instructor course is the first portion of the PADI Instructor Development Course (IDC). As an AI, instructor candidates are mentored while gaining hands-on experience teaching students. You build upon your abilities to organize and supervise scuba diving activities, while concentrating on developing teaching skills. As a PADI Assistant Instructor, you not only gain additional experience as a PADI Professional scuba diver, but you also start learning the PADI System of diver education. You can act as an instructional scuba assistant and assume limited teaching responsibilities.
