

Course Overview

Dive Tender

Program #PSD.002

The Public Safety Diver Dive Tender program is designed to provide the skills and training necessary to function in a surface support role in a public safety diving situation. Logistics, site safety, diver health concerns, exposure protection and containment, communications, haz-mat awareness, and more are covered in this exciting, enlightening entry course to the fascinating world of Public Safety Diving. No dives are required in this course, making it perfect for both divers and non-divers alike. This program is a prerequisite for the Public Safety Diver Level I program.
