

Course Overview

Public Safety Diver Level II Underwater Crime Scene Investigation Specialist Program #PSD.005

This PSDA - Level 2 specialty course is designed to give the public safety diver the skills, knowledge, planning, organization, procedures, techniques, problems and hazards with processing an underwater crime scene. Our course is intended to serve as a safe and supervised introduction into the underwater crime scene and how to investigate and process it correctly. For your final exam, we will be having you process a simulated underwater crime scene to determine what actually occurred.
